Round 5 / Blyton Park (Eastern) / 27th September 2015

We returned to Blyton Park for the second time this year for the fifth round of the 2015 Toyota Sprint Series, only this time using the Eastern Circuit. For safety reasons the day was delayed by 1 hour due to the morning fog, but with the sun forcing it's way out to dry the track up throughout the day and great organisation from the Javelin crew, we still managed to get a full days sprinting done with 8 timed runs each.

Class D Street - Up to 1.6 Normally Aspirated

Another great sprint by Matthew Tyson (above left) in the green Corolla. Finishing around 2 and a half seconds ahead of the opposition, Matthew's fastest run was 1.19.62. Second position could have gone either way, but it was Dan Quinn (above right) who snatched it from Steve Allison on the seventh run with a 1.22.27.

Class D Pro - Up to 1.6 Normally Aspirated

A brilliant result for Sallyanne Elliott (above left) who finished in first position in Class D Pro with a 1.23.37. Paul Thomas (above right) couldn't get back in to the 1.23's after his second run, so finished the day just behind Sallyanne with a 1.23.94.

Class A2 Pro - Over 1.6 Forced Induction

Some excellent driving and very respectable times were entered by both of the Crabtree brothers in their Celica GT4. James Crabtree (above right) took the lead in the morning but John Crabtree (above left) soon took over and finished in first place with an excellent time of 1.07.22. This was also quick enough to secure first place overall - a big congratulations to John! Second place and third overall went to James who finished the day on a 1.07.61.

Class A1 Pro - Over 1.6 Forced Induction

Some very consistent driving in the afternoon from Nigel Levinson (above) in his Celica ST185. Nigel's sixth run was his quickest of the day, crossing the line to a 1.11.23 and finishing in 6th place overall.

Class N2 - Standard GT86's

An extremely close battle in Class N2 Street between the 3 drivers Mike, Chris and Alec. All 3 were leading at one point or another throughout the day but it was Mike Anchor (above left) who had the quickest lap of 1.17.20. Chris Mawby (above right) was just behind with a 1.17.41.

Class N1 Street - Modified GT86's, Normally Aspirated

Another great turn out for the popular Class N1 Street class. 7 drivers took to the track to compete for the fastest time and this time it was Lauren Blighton (above left) who stole the show. An excellent time of 1.14.12 was entered on her sixth run. Second place went to Kev Atkins (above right) who managed a 1.15.77 on his seventh run. It's now very close at the top of the N1 Street table which means it's all to play for at the final round in November!
